This Privacy Statement applies to the processing of personal data by SoccerDoc BV as Data Controller. SoccerDoc BV processes data of its students and potential customers for its services. Personal data is part of this. Personal data is data about an identified or identifiable natural person, for example a name or e-mail address. SoccerDoc BV uses this data to, for example, inform students and interested parties by telephone, e-mail or post about relevant current affairs. SoccerDoc BV does not request more personal data than necessary for the business operations. SoccerDoc BV treats this information confidentially and does not publish it.

SoccerDoc BV does not pass on the personal data provided by its members to other parties unless this is necessary for business operations, and there is a legal obligation for SoccerDoc BV to share data or with explicit permission. SoccerDoc BV does not exclude that its services may change in the future. SoccerDoc BV advises those involved to regularly review the privacy statement so that they are aware of these changes.

Data retention period

SoccerDoc BV does not store personal data longer than for the purposes for which they are collected or used. Even if you don't have a subscription with us anymore, you can request your certificates from us within a running registration period. Some personal data must be kept longer by law, for example to pass on information to the tax authorities. In that case SoccerDoc BV will store the relevant personal data for as long as required by law.
